

Vulcan scoring system

Vulcan scoring system is a scoring system belonging to the topping category

Creation

Creator: **Isaac Juckes** Year of Creation : **2026**

Philosophy

?

Scorage

Power

- 1 point for each center owned at the end of the game

Domination

- Top = 10 *In the event of a shared top the topping bonus is split among the toppers.*
- 1 point for each center between you and everyone below you (including eliminated players.)

Survival

- 5 points

Solo Score

- winner : 130
- losers : 0
